hint: Waiting for your editor to close the file...
[branch 6542412] added branch
Committer: Naweed Adel <100660467@oncampus.local>
Your name and email address were configured automatically based
on your username and hostname. Please check that they are accurate.
You can suppress this message by setting them explicitly. Run the
following command and follow the instructions in your editor to edit
your configuration file:

    git config --global --edit

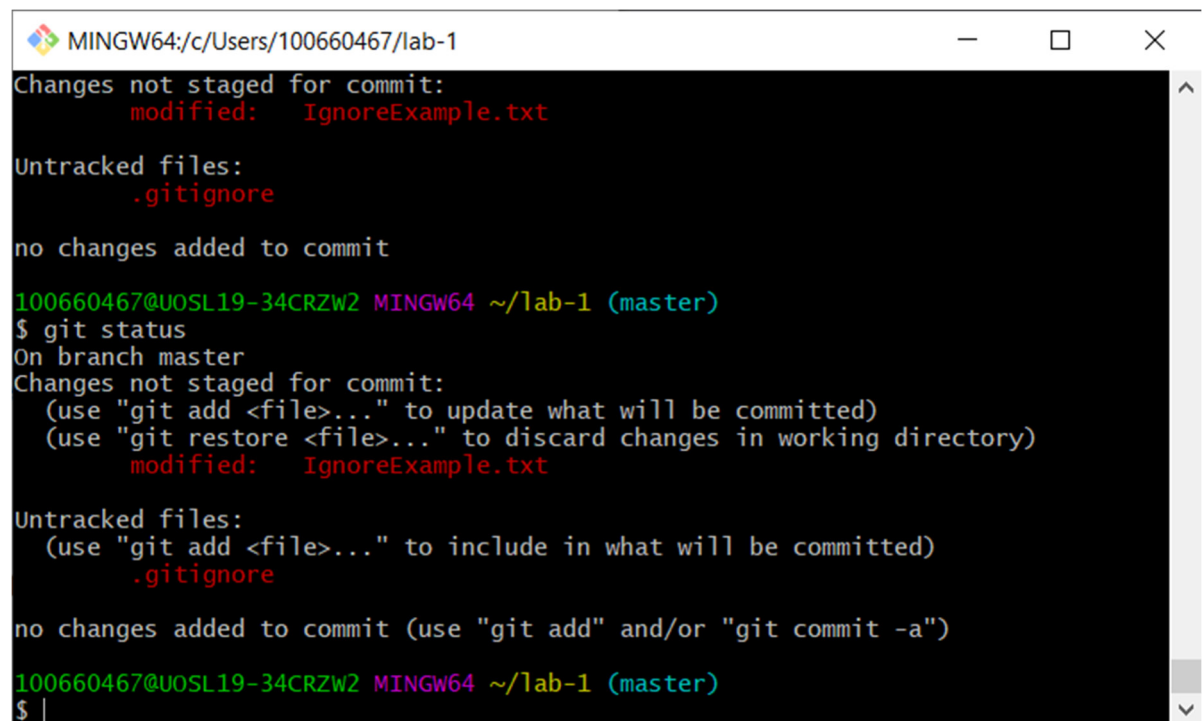

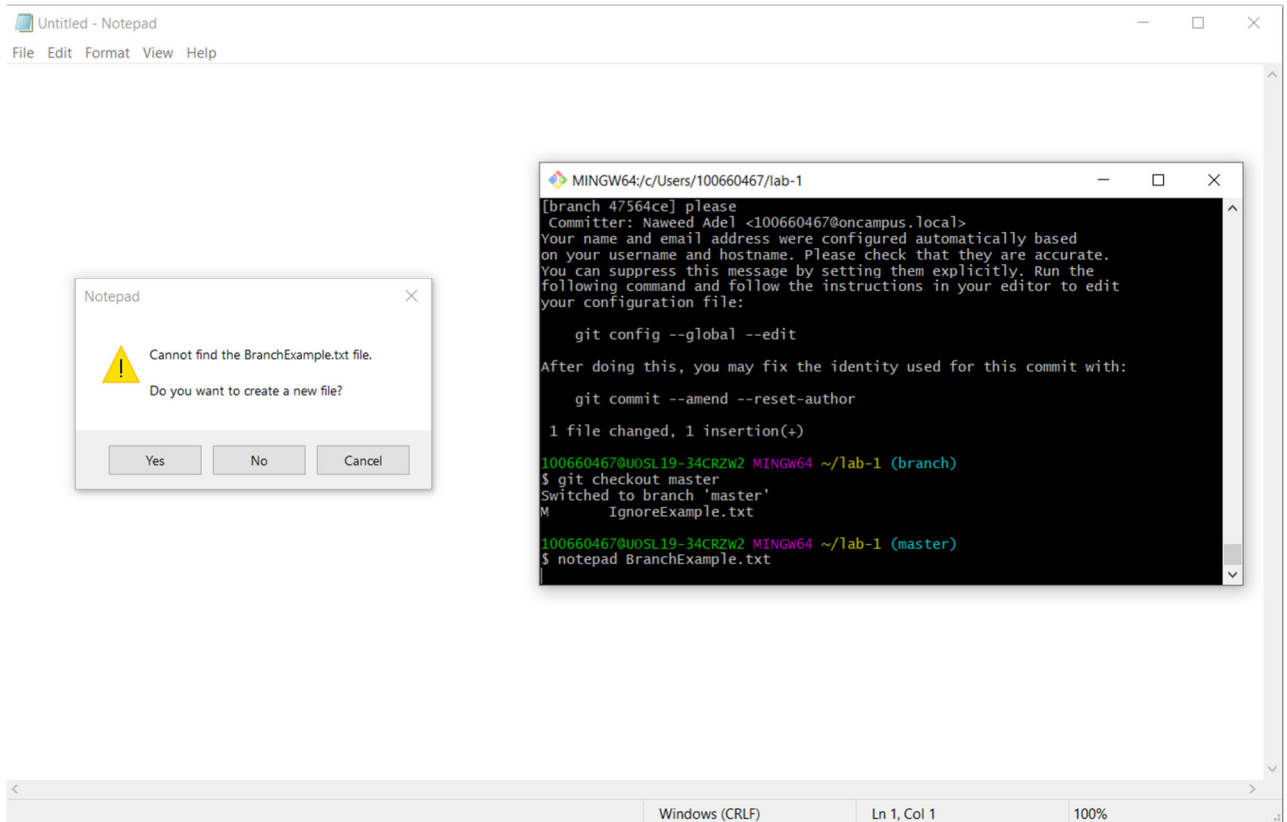

After doing this, you may fix the identity used for this commit with:

    git commit --amend --reset-author
